Ipswich Octopush Club emergency Action Policy

All members, and any guests of Ipswich Octopush club, whether players, coaches or officials will abide by this emergency action policy statement, and will comply with British Octopush Association and Ipswich Octopush Club rules and guidelines at all times.

Ipswich Octopush Club sessions are always conducted within established sporting facilities such as Ipswich Borough Councils Crown Pools and Fore Street swimming pool.

If an emergency should occur during an Ipswich Octopush Club session the responsible person in charge of the session will stop the session and alert the qualified Lifeguards in attendance who will carry out their own emergency action plan and administer any required first aid with the first aid kits which are held at all Ipswich Borough Council sporting centres.

Should Ipswich Octopush Club attend venues other than Ipswich Borough Council facilities the Ipswich Octopush Club responsible person in charge of the session will carry out a detailed risk assessment to ensure adequate first aid equipment and trained personnel are available.
